

Manitoba Securities Commission Reporting Issuer List – Cover Page

Reporting Issuers

Default

When a reporting issuer is noted as in default, standardized code symbols (disclosed in the legend below) will appear in the column 'Nature of Default'.

Every effort is made to ensure the accuracy of this list. A reporting issuer that does not appear on this list or that has inappropriately been noted in default should contact the Manitoba Securities Commission (MSC) promptly. If appropriate, the list will be revised as necessary.

A reporting issuer may be in default and be subject to a Management or Insider Cease Trade Order, but that order will NOT be shown on the list.

Legend

1. The reporting issuer has failed to file the following continuous disclosure prescribed by Manitoba securities laws:
 - (a) annual financial statements;
 - (b) interim financial statements/report;
 - (c) annual or interim management's discussion and analysis (MD&A) or an annual or interim management report of fund performance (MRFP);
 - (d) annual information form (AIF);
 - (e) certification of annual or interim filings under National Instrument 52-109 Certification of Disclosure in Issuers' Annual and Interim Filings (NI 52-109);
 - (f) proxy materials or a required information circular;
 - (g) issuer profile supplement on the System for Electronic Disclosure by Insiders (SEDI);
 - (h) material change report;
 - (i) written update as required after filing a confidential report of a material change;
 - (j) business acquisition report;
 - (k) annual oil and gas disclosure prescribed by National Instrument 51-101 Standards of Disclosure for Oil and Gas Activities (NI 51-101) or technical reports for a mineral project required under National Instrument 43-101 Standards of Disclosure for Mineral Projects (NI 43-101);
 - (l) mandatory news releases;
 - (m) corporate governance disclosure as required by National Instrument 58-101 Disclosure of Corporate Governance Practices;
 - (n) audit committee disclosure as required by National Instrument 52-110 Audit Committees; or
 - (o) disclosure in a reporting issuer's MD&A relating to disclosure controls and procedures and their effectiveness that is referred to in a certificate filed under NI 52-109.

2. The reporting issuer's continuous disclosure is deficient because:
 - (a) financial statements of the reporting issuer, or the auditor's report accompanying the financial statements, do not comply with the requirements of National Instrument 51-102 Continuous Disclosure Obligations (NI 51-102), National Instrument 81-106 Investment Fund Continuous Disclosure (NI 81-106) or National Instrument 52-107 Acceptable Accounting Principles and Auditing Standards;
 - (b) the reporting issuer has acknowledged that its financial statements, or the auditor's report accompanying the financial statements, may not longer be relied upon;

- (c) the reporting issuer's AIF, MD&A, MRFP, information circular, or business acquisition reports do not contain information for each of the content items required by NI 51-102 or NI 81-106; or
 - (d) the reporting issuer's technical disclosure or other reports do not comply with the disclosure requirements of NI 43-101 or NI 51-101;
3. The reporting issuer has failed to pay a fee required by Manitoba securities laws.
 4. The reporting issuer has failed to comply with any other requirement related to continuous disclosure.

Cease Trade Order

If a reporting issuer is subject to a cease trade order issued by the MSC under subsection 147.1(1) or 148(1), the cease trade order will be disclosed beside the name of the reporting issuer. Securities that are subject to a cease trade order of the MSC may not be traded in Manitoba.

To determine if a person or company is the subject of a management or insider cease trade order issued by the MSC, please refer to the 'Securities Law & Instruments, Order and Exemptions' section under the 'Law & Policy' tab on the MSC website (at www.mbsecurities.ca).

Additional information may be obtained by:

- reviewing the filings made by the reporting issuer on SEDAR (at www.sedar.com);
- reviewing the reports made by insiders of the reporting issuer on SEDI (at www.sedi.ca);
- reviewing the cease trade orders made by provincial securities commissions on the national cease trade order database (at www.securities-administrators.ca); and
- contacting the reporting issuer directly.
